

Medicaid and Maternal Health

Work Plan and Further Discussion

Medicaid and CHIP Payment and Access Commission

Martha Heberlein

Prior MACPAC Work

- June 2013 chapter provided an overview of the role of Medicaid and CHIP in maternity care and efforts to improve outcomes
 - issue brief on state payment initiatives to improve outcomes updated in April
- Issue brief comparing access and outcomes among pregnant women covered by Medicaid and other payers published last November

Proposed Analytic Work

- Medicaid's role in maternal health
- State initiatives targeting maternal health
- Substance use among pregnant women
- Access to providers
- Postpartum care and continuity of coverage
